Attachment 2
21 January 1975

DIA DECLASSIFICATION/RELEASE INSTRUCTIONS ON FILE
DIA REQUIRED CHANGES TO CERTAIN STRATEGY REPORTS

A. KIQ-10 Strategy Report

   Paragraph II.E., line 1 - After "DIA" add "/DC and the Services."

   Paragraph II.E. - Delete last sentence and replace with the
   following:

   F. DIA/DI, DT, DE and the Services during FY 75 will estab-
      lish and maintain a data base and publish a number of
      reports, appraisals and estimates, and present brief-
      ings relating to this KIQ, particularly on such subjects

25X1X1

   G. DIA/DT will establish a Nuclear/Chemical Task Force

      whose objective will be to determine what the technical

SECRET

capability of the Warsaw Pact nations is to employ

tactical nuclear and chemical weapons against NATO.   25X1X1

H. DIA/DI will establish a new Applications Branch in the

Soviet/Warsaw Pact Area Division. Two of the branch's

sections, the Military Strategy Section and ▮▮▮▮▮▮

25X1X1

25X1D3a ▮▮▮▮▮▮▮▮▮▮ to develop and produce all-source in-

telligence directly related to this KIQ. The branch

will also establish and maintain an all-source data

25X1X1

base ▮▮▮▮▮▮▮▮▮ and will support the in-

25X1X1

teragency ▮▮▮▮▮▮▮ advisory group under the

Scientific Intelligence Committee of USIB. In addition,

a high level symposium will be hosted by DIA which

will provide a forum for dialogue on the opinions of

recognized authorities, both government and non-govern-

ment, in the area of Soviet military strategy and doc-

trine, particularly in relation to nuclear employment

and options.

B. KIQ-14 Strategy Report

Paragraph II.C. - After "DIA" add "/DC."

Add the following as new paragraphs and reletter subsequent

paragraphs:

SECRET

D. <u>DIA/DI, DT, DE and the Navy and Air Force</u> during FY 75
will establish and maintain a data base and publish a
number of reports, appraisals, and estimates and present
briefings relating to this KIQ. These efforts will in-
clude detailed analysis, collation and production of
intelligence on Soviet SSBN/SLBM ████████████████

25X1X1 ██ 25X1X1

E. <u>DIA/DI</u> will establish a new Applications Branch whose
task will include sythesizing all-source information
in the analysis and production of intelligence on Soviet
military doctrine and strategy. This branch will also
develop and produce an all-source data base on Soviet/

25X1X1 Warsaw Pact ███████████████████ and will support the

25X1X1 ████████████████ advisory group under the Scientific

Intelligence Committee, USIB.

C. <u>KIQ-22 Strategy Report</u>

<u>Paragraph III.A.</u> - Substitute the following in place of the

25X1X1 ██

<u>Paragraph III.C.</u> - Insert after CIA/OSR, "and DIA/DI."

<u>Paragraph III.G.</u> - Make following item "G" and reletter sub-
sequent items:

- 3 -

~~SECRET~~

~~SECRET~~

No Foreign Dissem

25X1X1

G.

Paragraph III.G. - Reverse order to DIA/CIA as DIA is now in

charge of ████████████████████████   25X1B4d

Paragraph III.N. - Add the following study:

8. DIA will analyze Soviet military inventory values to
    compare with US investment in military equipment for
    the purpose of measuring the real worth of Soviet and
    US military expenditures over time.

D. KIQ-23 Strategy Report

Add two new paragraphs and reletter present last paragraph
of Part II:

L. DIA/DI, DE, and DT will establish and maintain a data
    base on Soviet objectives and positions in arms limita-
    tions negotiations. In addition reports, estimates,
    and briefings will be produced pertaining to this KIQ.

M. DIA/DI will establish a new Application Branch which
    will develop and produce intelligence on Soviet mili-
    tary strategy and doctrine based on analysis of all
    source data. Such analysis may provide some indica-
    tions of Soviet intentions.
